

EXTENDER RF 1.4x

EXTEND YOUR VISION

The EXTENDER RF 1.4x is the perfect choice for enthusiast and professional photographers seeking more magnification from their RF lenses. Boosting focal length by 1.4x it is ideal for press, nature and sport photographers.

- More reach, no loss of image quality
- Advanced lens design
- Designed to perform in extremes
- Seamless integration with RF 100-500mm F4.5-7.1L IS USM
- No compromise construction
